

1/29/10

What a great week at the courts.

God has been so good to us at Ethnos. Both kids clubs are growing each week. The kids are memorizing Bible verses. It is so fun to hear them say them to us the next week. They are understanding what we have been teaching them about God's word.

This week we started feeding hot meals to the kids after school. Urban was able to get extra meals each day for us to give to the kids. What a blessing.

We got permission to have lunch with our kids at the two elementary schools and the JV school. We will start having lunch with different kids next week.

Daily Bread gave us a deep freezer full of food. They also gave us a pallet of vitamin water drinks, Hi-C orange boxes, cases and cases of prepackaged spaghetti and meatballs, cases and cases of canned mixed fruit and a regular size **TOILET!** All the ladies say "yea"

They also gave us boxes of make-up. We are going to make gift bags for all the moms for Valentines Day. What fun that will be.

We bought our first 15 passenger van with cash, no debt! This Saturday night we will pick up some youth kids and take them to a youth rally. Sunday we will pick up kids for church and Wednesday we will pick up JV and high school kids for youth meetings at our house.

What an amazing week. God is so good.

Thank you all for your prayers and support.

Ethnos LOVES Renew.
